## Stone Coated Steel Roofing Systems

Dear Valued Customer,

Thank you for your interest in Roser Roofing Systems. Legacy Construction and Roofing is a trusted and reputable contractor who we highly recommend as an installer of all Roser products. Legacy Construction and Roofing is one of our top contractors in the Texas area, not only because of their superior craftsmanship, but equally due to the high quality of their customer service and their commitment to exceptional installations, each and every time. We trust Legacy Construction and Roofing with not only knowing and adhering to all building codes and requirements in different parts of the country, but also with being able to educate homeowners about the benefits of Roser Roofing Systems in different environments and with varying weather conditions.

For all of these reasons and many more, we are happy to recommend Legacy Construction and Roofing as a trusted installer of Roser Roofing Systems.

I would like to personally thank you for your interest in Roser Roofing, and invite you to contact me if you have any further questions.
